

# Movement of Medical Students from Region of MD Training to Region of Post-M.D. Training

The geographic region first-year Canadian Citizens/Permanent Residents (CC/PR) who were enrolled in post-M.D. training (excluding fellows) between 2013 and 2018 were examined relative to where they earned their MD degree.

**Atlantic = Newfoundland & Labrador, New Brunswick, Nova Scotia, Prince Edward Island**  
**Western = Manitoba, Saskatchewan, Alberta, British Columbia**
