

CAPER Overview

Canadian Post-MD Education Registry

CAIR Board of Directors Meeting
14 February 2009
Ottawa • Ontario • Canada

Steve Slade
VP Research and Analysis CAPER-ORIS
Association of Faculties of Medicine of Canada

About CAPER

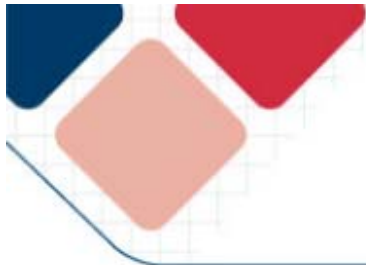

- Founded in 1986, the Canadian Post-MD Education Registry (CAPER) is a partnership of professional medical organizations and F/P/T governments
- CAPER receives annual data files from faculties of medicine to maintain a longitudinal database on PGME enrolment
- CAPER tracks ongoing practice location, following post-MD training (facilitated by a data-sharing agreement with the CMA)

The Royal College of Physicians and Surgeons of Canada
Le Collège royal des médecins et chirurgiens du Canada

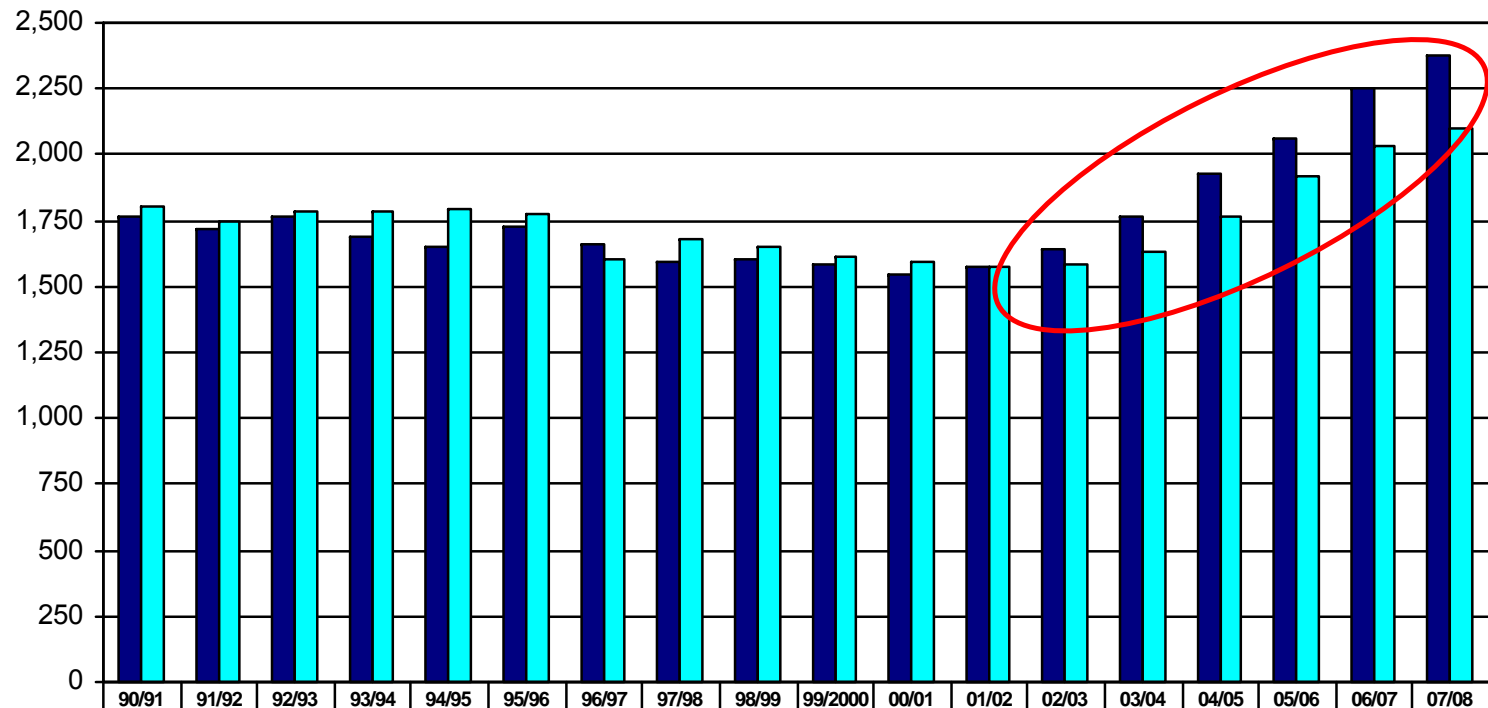

Medical Council of Canada

Post-MD Program Enrolment
